

Magnetic Particle Testing (MT)
NDT Educational & Certification Course
Wenatchee, WA
April 23-25, 2019

Greg Floor, Wasatch NDT, in cooperation with PNSAA is offering a 20 hour NDT course to be held during its annual Spring Conference & Trade Show in Wenatchee, Washington. This educational and certification course covers the Level I and II fundamentals of MT theory and practical application necessary for MT inspectors of chairlift parts and components. Each student will receive a textbook and lesson study guide which they will keep. Hands-on training exercises using MT inspection equipment and materials on common ski industry parts will coincide with MT theory modules. A general, specific and practical examination will be administered at the end of the course. A vision exam will also be administered.

Classroom training is the first step on the road to becoming certified as an NDT Level I and II MT inspector. A more detailed description of the entire certification process is available to all ski areas interested in sending mechanics to the MT course. It is recommended to contact the course instructor prior to registering.

Course dates/time: April 23 12:30pm – 5 pm
